 DATE OF REVIEW FOR DECLASSIFICATION 7-31-87

By communication dated July 21, 1967, captioned as above, you were advised that Martin Luther King, Jr., President, Southern Christian Leadership Conference, was in conference with his principal adviser, Stanley Levison, concerning the racial disturbances occurring throughout the Nation.

54686
 80514
 73514

During this conference, Levison suggested that King advocate a program with dramatic qualities similar to the Works Project Administration of the 1930's.

On July 24, 1967, Levison dictated a press release to King's secretary which King was to use the next day.

At another conference on July 25, 1967, King's advisers urged him to issue a statement that would not condemn violence in the cities but would, in a sense, condone it. He was also urged to rebut the statements made by the President the night of July 24, 1967.

In his press conference at Atlanta, Georgia, on July 25, 1967, King announced he had sent a telegram to the President urging the creation of a national agency similar to the Works Project Administration. An examination of the telegram discloses that a large percentage was taken verbatim from the press release prepared by Levison. Enclosed is a copy of this telegram for your ready reference.

REC-52 100-106 70-30 JUL 31 1967

However, it is interesting to note that during the press conference King stated he condemned the present riots and did not condone violence. He also supported the President's use of Federal troops to deal with the rioting in Detroit, Michigan.

On July 25, 1967 [REDACTED]

[REDACTED], advised Reverend MARTIN LUTHER KING, JR., President, Southern Christian Leadership Conference, held a press conference at 11 a.m. that date at the Ebenezer Baptist Church, Atlanta.

Reverend KING announced this conference related to his concern over the current racial strife throughout the nation. He said he had forwarded a telegram to President LYNDON B. JOHNSON expressing his thoughts and recommendations regarding this matter. Reverend KING then distributed to those present at the news conference copies of this telegram.

[REDACTED] furnished a copy of this telegram which reads as follows:

ENCLOSURE

I LISTENED WITH GREAT ANTICIPATION TO YOUR STATEMENT OF LAST EVENING, FOR I TOO HAVE LAEORED WITH HEAVY HEART THROUGH THE TRAGIC EVENTS OF THE PAST WEEKS. THE CHAOS AND DESTRUCTION WHICH NOW SPREADS THROUGH OUR CITIES IS A BLIND REVOLT AGAINST THE REVOLTING CONDITIONS WHICH YOU SO COURAGEOUSLY SET OUT TO REMEDY AS YOU ENTERED OFFICE IN 1964. THE CONDITIONS HAVE NOT CHANGED, AND THOUGH THE AIMLESS VIOLENCE AND DESTRUCTION MAY BE CONTAINED THROUGH MILITARY MEANS, ONLY DRASTIC CHANGES IN THE LIFE OF THE POOR WILL PROVIDE THE KIND OF ORDER AND STABILITY YOU DESIRE.

THERE IS NO QUESTION THAT THE VIOLENCE AND DESTRUCTION OF PROPERTY MUST BE HALTED, BUT CONGRESS HAS CONSISTENTLY REFUSED TO VOTE A HALT TO THE DESTRUCTION OF THE LIVES OF NEGROES IN THE GHETTO. FIRST THE RENT SUPPLEMENT BILL WAS KILLED THEN THE MODEL CITIES PROPOSAL WAS DRASTICALLY CUT AND FINALLY EVEN A BILL WITH NO POLITICAL OR FINANCIAL IMPLICATIONS, BUT GREAT HUMANITARIAN ASPECTS WAS LAUGHED OUT OF THE HOUSE AND CONGRESS REJECTED A SIMPLE BILL TO PROTECT OUR CITIES AGAINST RATS. THE SUICIDAL AND IRRATIONAL ACTS WHICH PLAGUE OUR STREETS DAILY ARE BEING SOWED AND WATERED BY THE IRRATIONAL, IRRELEVANT AND EQUALLY SUICIDAL DEBATE AND DELAY IN CONGRESS.

(MORE)

2

THIS IS AN EXAMPLE OF MORAL DEGRADATION. THIS HYPOCRICY AND CONFUSION SEEPING THROUGH THE FABRIC OF OUR SOCIETY CAN ULTIMATELY DESTROY FROM WITHIN THE VERY POSITIVE VALUES OF OUR NATION WHICH NO ENEMY COULD DESTROY FROM WITHOUT.

I DO NOT THINK WE ARE HELPLESS; WE ARE ONLY ACTING HELPLESSLY. I SHOULD LIKE TO OFFER A SINGLE PROPOSAL THAT I AM CONVINCED WILL BE AS EFFECTIVE AS IT IS JUST.

EVERY SINGLE OUT-BREAK WITHOUT EXCEPTION HAS SUBSTANTIALLY BEEN ASCRIBED TO GROSS UNEMPLOYMENT, PARTICULARLY AMONG YOUNG PEOPLE. IN MOST CITIES UNEMPLOYMENT OF NEGRO YOUTH IS GREATER THAN THE UNEMPLOYMENT LEVEL OF THE DEPRESSION 30's

LET US DO ONE SIMPLE DIRECT THING -- LET US END UNEMPLOYMENT TOTALLY AND IMMEDIATELY. IN THE DEPRESSION DAYS THE NATION WAS CLOSE TO PROSTRATE ON THE BRINK OF BANKRUPTCY, YET IT CREATED THE WPA TO MAKE MILLIONS OF JOBS INSTANTLY AVAILAELE FOR ALL EXISTING LEVELS OF SKILL. THE JOBS WERE TAILORED TO THE MAN, NOT THE MAN TO THE JOB IN RECOGNITION OF THE EMERGENCY. TRAINING FOLLOWED EMPLOYMENT, IT DID NOT PRECEDE IT AND BECOME AN OBSTACLE TO IT.

WHAT WE DID THREE DECADES AGO DURING AN ECONOMIC HOLOCAUST CAN EASILY BE DONE TODAY IN THE COMFORT OF PROSPERITY.

I PROPOSE SPECIFICALLY THE CREATION OF A NATIONAL AGENCY THAT SHALL PROVIDE A JOB TO EVERY PERSON WHO NEEDS WORK YOUNG AND OLD, WHITE AND NEGRO. NOT ONE HUNDRED JOBS WHEN 10,000 ARE NEEDED. NOT SOME CHEAP WAY OUT.

(MORE)

3

NOT SOME FRUGAL DEVICE TO MAINTAIN A BALANCED BUDGET WITHIN AN UNBALANCED SOCIETY. I PROPOSE A JOB FOR EVERYONE, NOT A PROMISE TO SEE IF JOBS CAN BE FOUND.

THERE CANNOT BE SOCIAL PEACE WHEN A PEOPLE HAVE AWAKENED TO THEIR RIGHTS AND DIGNITY AND TO THE WRETCHEDNESS OF THEIR LIVES SIMULTANEOUSLY. IF OUR GOVERNMENT CANNOT CREATE JOBS, IT CANNOT GOVERN. IT CANNOT HAVE WHITE AFFLUENCE AMID BLACK POVERTY AND HAVE RACIAL HARMONY.

THE TURMOIL OF THE GHETTO IS THE EXTERNALIZATION OF THE NEGRO'S INNER TORMENT AND RAGE. IT HAS TURNED OUTWARD THE FRUSTRATION THAT FORMERLY WAS SUPPRESSED IN AGONY.

THE NEGRO KNOWS THAT A SOCIETY THAT IS ABLE TO PLAN INTERCONTINENTAL WAR AND INTERPLANETARY TRAVEL IS ABLE TO PLAN A PLACE FOR HIM. IN ITS CALLOUS REFUAL TO BE JUST THE CIVILIZED SOCIETY IS DRIVING A WEDGE OF DESTRUCTIVE ALIENATION INTO THE HOPE OF HARMONY.

TRANQUILITY WILL NOT BE EVOKED BY PIOUS WORDS. TO DO TOO LITTLE IS AS INFLAMMATORY AS INCITING TO RIOT. DESPERATE MEN DO DESPERATE DEEDS. IT IS NOT THEY WHO ARE IRRATIONAL BUT THOSE WHO EXPECT INJUSTICE ETERNALLY TO BE ENDURED. I AM CONVINCED THAT A SINGLE DRAMATIC MASSIVE PROOF OF CONCERN THAT TOUCHES THE NEEDS OF ALL THE OPPRESSED WILL EASE RESENTMENTS AND HEAL ENOUGH ANGRY WOUNDS TO PERMIT CONSTRUCTIVE ATTITUDES TO EMERGE.

(MORE)

I REGRET THAT MY EXPRESSION MAY BE SHARP BUT I BELIEVE LITERALLY THAT THE LIFE OF OUR NATION IS AT STAKE HERE AT HOME. MEASURES TO PRESERVE IT NEED BE BOLDLY AND SWIFTLY APPLIED BEFORE THE PROCESS OF SOCIAL DISINTEGRATION ENGULFS THE WHOLE OF SOCIETY.

MR. PRESIDENT, THIS IS AN EMERGENCY STATE AS SURELY AS WAS THE RECENT CRISIS IN THE RAILROADS OF OUR NATION. UNLESS CONGRESS CAN BE MOTIVATED TO ACT IMMEDIATELY UPON SOME CREATIVE AND MASSIVE PROGRAM TO END UNEMPLOYMENT, WE FACE THE POSSIBLE SPREAD OF THIS TRAGIC DESTRUCTION OF LIFE AND PROPERTY. I URGE YOU TO USE THE POWER OF YOUR OFFICE TO ESTABLISH JUSTICE IN OUR LAND BY ENACTING AND IMPLEMENTING LEGISLATION OF REASON AND VISION IN THE CONGRESS.

EX 10T

MARTIN LUTHER KING, JR.

The following information has been supplied by confidential sources of this Bureau who have furnished reliable information in the past.

^{MRS}
 On July 19, 1967, Stanley Levison, principal adviser to Martin Luther King, Jr., President, Southern Christian Leadership Conference, was in conference with Ann Jones, wife of Clarence Jones, another of King's advisers, concerning the recent racial disturbances. Mrs. Jones indicated that King is the best leader in the civil rights movement and that the Negro masses will listen to him. Mrs. Jones stated that King should be informed of this.

Later that same day, Levison was in contact with King and indicated he was concerned about King's failure to make any public statement concerning the racial disturbances in the Newark, New Jersey, area.

King informed Levison that he had been considering making a statement but did not merely want to condemn the riots but must condemn the conditions which lead to riots. King indicated he was also concerned there will be more riots this summer as the weather gets hotter and he is particularly concerned about the Chicago area.

Levison suggested that King advocate a program with dramatic qualities similar to the Works Project Administration of the 1930's. This new program would be implemented by the Federal Government to employ the jobless youth. Levison continued that this program worked in a period when the United States was almost bankrupt and should work even better now that the country is almost sick with money.

Mrs. Jones has been identified as a Communist Party club member at Sarah Lawrence College between 1947 and 1950. In the early 1950's, she was active in the Labor Youth League, a group which has been cited by the Attorney General of the United States pursuant to Executive Order 10450. In April, 1955, she was observed by Special Agents of this Bureau as the driver of a station wagon which was used on that date to transport Communist Party underground leaders in connection with an official Communist Party meeting. In 1956, she was described by a self-admitted communist as a "hard-core communist."

Attached for your approval for dissemination is a letterhead memorandum containing the following:

BACKGROUND:

On 7/19/67, [redacted] advised that Stanley Levison, former long-time secret Communist Party member and principal adviser to Martin Luther King, Jr., President, Southern Christian Leadership Conference, was in contact with Mrs. Ann Jones, who has an extensive background of being involved in the communist movement. They discussed the recent racial disturbances. Mrs. Jones indicated King is the best leader in the civil rights movement and that the Negro masses will listen to him. Mrs. Jones stated that King should be informed of this.

Later that same day, Levison and King were in contact. They discussed the current racial riots and it was agreed King should make a public statement concerning them. Levison suggested King advocate a new program which would be implemented by the Federal Government similar to the Works Project Administration of the 1930's.

King thought this was good idea and agreed to issue a public statement in this regard. Levison reminded King that President Johnson was familiar with this former Federal project and would be interested in the idea. They agreed to discuss this matter again on July 22, 1967, before King takes any action in this regard.

RECOMMENDATION:

Since this development would be of interest to the President, it is recommended that attached communication be forwarded to Mrs. Mildred Stegall at the White House; Attorney General; Deputy Attorney General; and Assistant Attorneys General Yeagley and Doar.

SECURITY MATTER - C Communist

PURPOSE:

Attached for your approval for dissemination is a letterhead memorandum containing the following:

BACKGROUND:

According to [redacted] recently Stanley Levison and Clarence Jones were in conference concerning the current racial situation. Both men have subversive backgrounds and are principal advisers to Martin Luther King, Jr., President, Southern Christian Leadership Conference. Levison stated that King believes the racial situation is very tense and that Chicago, Illinois, may be the next trouble spot. Jones replied he believes New York, New York, is seething with resentment about the current racial situation.

Levison then suggested that King do something about the situation in Cleveland, Ohio. Levison proposed that King should lead a march of 10,000 Negroes, each one of them carrying a brick or a bottle. They should march to Cleveland City Hall and dump the debris on the lawn of City Hall as a symbol of protest to the racial situation. Jones agreed with Levison's idea and thought King would lead such a march.

They both agreed that they should meet with King in the near future in Atlanta to discuss any statements that are to be made in public by King.

Further, they agreed that under no circumstances should King be permitted to say anything without their approving it. Jones advised that he feels King should not be permitted to think for himself. Levison stated that King is such a slow thinker that he is usually not prepared to make a statement by himself, without help.

Levison and Jones agreed to meet again in the near future to continue their discussion in this regard.

MARTIN LUTHER KING, JR.

"March 1, 1967

"Dear Friends:

"One of the really memorable occasions of my life was to visit the Holy Land and to see and feel the inspiring land from which our faith burst forth.

"Now I have been asked by my good friend Dr. Sandy F. Ray to lead a tour of pilgrims to the Holy Land, and to preach at services of worship by the Sea of Galilee and on the Mount of Olives. I count this a rare privilege in my ministry, and would like to invite you to join me in this pilgrimage and share in the spiritual renewal which can come from such a venture.

"For years now I have felt that too few were availing themselves of the modern opportunities for travel and experience in other lands, so we have arranged for the tour to visit Paris, Rome and Athens in connection with the pilgrimage. Each city represents one of the great civilizations of history and even a brief visit constitutes an outstanding educational experience.

"We have made every effort to conduct this tour in the most economical manner possible, without sacrificing its content and quality of accommodations in order to make it possible for many to share in this experience.

"World travel is one of the important contributions to the promotion of peace and brotherhood. As we see how people live in other countries, and how mankind has developed through the years we get a new understanding of some of the problems which confront us in our world today. And as we walk where Jesus walked and view the hills and dry places wherein the prophets of old received God's revelation, we will find ourselves lifted to new heights of spiritual consciousness.

"Sincerely yours,

/s/ "Martin Luther King Jr.

According to the brochure this pilgrimage has been divided into three separate tours:

- "Tour A"
November 6, 1967 - November 20, 1967
- "Tour B"
November 7, 1967 - November 21, 1967
- "Tour C"
November 8, 1967 - November 22, 1967

The cost of each tour is \$750. The daily itinerary for each of the three tours is set forth. According to each itinerary, on November 14, 1967, "... all pilgrims will assemble in mass on the Mount of Olives and witness the history-making sermon delivered by Dr. Martin Luther King - truly a sight to behold!" On November 16, 1967, "all pilgrims" will gather together at the Tsema Amphitheatre on the shore of the Sea of Galilee to witness a "awesome spiritual meeting" led by Reverend King. u

1 SOUTHERN CONFERENCE EDUCATIONAL FUND, INC.

"The Southern Patriot," a monthly publication, shows that it is published by the Southern Conference Educational Fund, Inc. (SCEF).

"The Southern Patriot" was cited as an "organ" of the Southern Conference for Human Welfare (SCHW) by the Committee on Un-American Activities, House Report 592, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 12, 1947.

An amendment to the charter of the SCHW dated April 26, 1946, changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals.

The SCEF is self-described as having deep roots in the South where it began as the educational wing of the SCHW, organized in 1938 to work for economic and political reform. When the SCHW disbanded in the late 1940's, SCEF continued as an independent organization, rallying support for integration and democracy and helping to stimulate and nurture new movements of the early 1960's. The SCEF maintained headquarters in Louisiana for twenty years, but in 1966 moved its headquarters to Louisville, Kentucky. u

A source advised on March 2, 1961, that CLAUDE LIGHTFOOT, a Communist Party Functionary, stated at a meeting of the Communist Party in Baltimore, Maryland, on February 25, 1961, that the Communist Party is not connected with any progressive movement but indirectly they do have some influence in the SCEF.

~~SECRET~~

A second source, who is familiar with some phases of Communist Party activity in the New Orleans area, advised on June 8, 1966, that during the time that the SCHW was in existence members of the Communist Party were members of and worked actively in the SCHW; however, since the formation of the SCEF, Communist Party members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a Communist Party front organization because it has gone along with the Communist Party on certain issues, particularly on the racial issue.

CARL BRADEN and ANNE BRADEN, Director and Associate Director respectively of the SCEF, were identified by ALBERTA AHEARN, 2311 Payne, Louisville, Kentucky, a self-admitted former member of the Communist Party, on December 13, 1954, in her testimony in Jefferson County, Kentucky, Court in the prosecution of CARL BRADEN under a state sedition statute as members of the Communist Party in Louisville, Kentucky, from January, 1951, to December, 1954.

A third source advised on May 28, 1965, that GEORGE MEYERS, a Communist Party functionary, expressed great admiration for CARL and ANNE BRADEN and the SCEF, with which they are affiliated, and expressed the view that the SCEF is the best organization in the South as far as doing effective work is concerned and that they have a better idea of what they are doing, where they are heading, and influence other organizations for the better.

The second source also advised on June 8, 1966, that many people who are officials and supporters of the SCEF, while liberal in their views, are by no means Communists.

Clarence Jones is presently the General Council of the Gandhi Society for Human Rights, Incorporated, 15 East 40th Street, u
New York, New York.

The first source stated that Clarence Jones said to Stanley Levison that he had heard that the National Rifle Association was trying to attach a rider to a pending "anti-riot bill" now before the United States Congress. This rider would prohibit for a certain period of time the sale of firearms in an area in which a riot had occurred. Jones stated he believes this rider was aimed specifically at the Negro and was another "example of right wing reaction to the current racial situation." s

Stanley Levison then stated that Martin Luther King, Chairman of the Southern Leadership Conference believes the racial situation is very tense and that Chicago, Illinois, s
may be the next trouble spot.

The first source continued that Jones added that he believes that New York, is according to what he hears, just seething with resentment about the current racial situation. s

INFORMATION CONTAINED HEREIN IS UNCLASSIFIED

[REDACTED] on interview [REDACTED] by SA [REDACTED] advised that he considered the story by [REDACTED] regarding an alleged plot to kill MARTIN LUTHER KING, JR. just one of [REDACTED] "cock and bill stories" [REDACTED] b7c

[REDACTED] stated that he is not an associate of inmate [REDACTED] knows him only well enough to recognize him in the institution and has never talked to him. He added that he, [REDACTED] keeps to himself, trying to serve his sentence without becoming involved in the troubles of other inmates and that he is not acquainted with the associates of [REDACTED]. He denied knowing the identity of any inmate known as [REDACTED] b7c

According to [REDACTED] it is well known to all inmates in the institution that he is a capable machinist and that he does a great deal of the mechanical drawing in connection with the work done in this institution. He added that when he became acquainted with former inmate [REDACTED] he learned that [REDACTED] had few friends among the other inmates. Further that [REDACTED] liked to talk about himself as well as about any subject, with anyone who would listen to him. He explained that [REDACTED] found him a good listener and would often spend several hours in the doorway of his, [REDACTED] cell, talking while he, [REDACTED] was working on his drawings. He added that he seldom did much of the talking but only agreed with whatever [REDACTED] had to say on whatever topic was being discussed. b7c

[REDACTED] stated he does recall that on one occasion [REDACTED] had mentioned that one [REDACTED], and he assumed [REDACTED] was referring to [REDACTED] had informed him there was a plot to kill MARTIN LUTHER KING, JR. for \$100,000. He added that [REDACTED] stated that it was "all set up" but that he did not want to tell him too much about it. [REDACTED] stated he informed [REDACTED] that he did not want to know anything about the matter. He said he further told [REDACTED] that KING was probably so well guarded that a person could not "reach him with a ten foot pole". [REDACTED] also recalled that [REDACTED] claimed that [REDACTED] had told him to get in touch with someone whose name he mentioned but which he does not now recall, [REDACTED] when [REDACTED] was released. b7c

[redacted] went on to state that he believes he indicated to [redacted] that he, [redacted] had heard some similar comment regarding \$100,000 being offered to kill KING. [redacted] stated this referred to an occasion several years ago when he was drinking in some bar in Raleigh, N. C. He explained that he was not acquainted with any of the occupants of this bar. He added that some of the occupants were discussing the current racial problems and one individual made the comment that "Someone had a good idea when they offered \$100,000 to get KING killed". b7(c)

[redacted] further stated that at no time had [redacted] ever requested him to make any part of a gun. He stated that [redacted] had once inquired if he, [redacted], could make a gun and that he informed [redacted] that any machinist with any ability could make a rifle. [redacted] recalled that he and [redacted] at the same time were talking about what an advantage it would be for the military to have a rifle with a longer magazine or clip that would carry more cartridges than the one presently used. b7(c)

[redacted] advised that when [redacted] mentioned the alleged plot to kill KING he paid little attention to what was being said and passed it off as just another of [redacted] stories. b7(c)

80514 The following information has been supplied by confidential sources of this Bureau who have furnished reliable information in the past.

Recently, Stanley Levison and Clarence Jones, both principal advisers to Martin Luther King, Jr., President, Southern Christian Leadership Conference, were in conference. Levison stated King believes the racial situation is very tense and that Chicago, Illinois, may be the next trouble spot. Jones replied he believes New York, New York, is seething with resentment about the current racial situation.

Levison then suggested King do something about the situation in Cleveland, Ohio. Levison proposed that King should lead a march of 10,000 Negroes, each one of them carrying a brick or a bottle. They should march to Cleveland City Hall and dump the bricks and bottles on the lawn as a symbol of protest to the racial situation. Jones was in complete agreement with Levison's idea and thought King would lead such a march.

EX 101 REC-23: 100-106670-3021

They both agreed they should meet with King in the near future in Atlanta, Georgia, to discuss any statements that are to be made in public by King. Further, they agreed that under no circumstances should King be permitted to say anything without their approving it. Jones advised he feels King should not be permitted to think for himself. Levison stated King is such a slow thinker that he is usually not prepared to make a statement by himself.

Levison and Jones agreed to meet again in the near future to continue their discussion in this regard.

RE: POSSIBLE RACIAL VIOLENCE,
BIRMINGHAM, ALABAMA,
TENTATIVE IMPRISONMENT OF
REV. MARTIN LUTHER KING, JR.
AT BIRMINGHAM, ALABAMA

On July 10, 1967, [REDACTED]

[REDACTED] advised he now expects the Rev. Martin Luther King, Jr., President of the Southern Christian Leadership Conference (SCLC), and seven other Negro ministers will probably turn themselves in at Birmingham, Alabama, sometime in October, 1967, to serve a five day sentence which was imposed upon them for violating a court injunction during racial demonstrations in Birmingham, in 1963, when they marched without a permit.

[REDACTED] stated that he has received information that Attorney Jack Greenburg has successfully filed for a rehearing before the United States Supreme Court, and that all legal remedies will not be exhausted in regard to this matter until at least October, 1967. [REDACTED] said that it is common knowledge among civil rights groups and leaders in the Birmingham area that Rev. King plans to meet with Rev. W. T. Walker, Rev. Ralph Abernathy, Rev. F. L. Shuttlesworth, Rev. A. D. King, and the three local Birmingham ministers involved at Atlanta, Georgia, and thereafter fly to Birmingham as a group to serve their sentence. In conclusion [REDACTED] advised that if Rev. King and the other seven ministers do not surrender themselves as planned, a bench warrant will be issued calling for the arrest of these individuals, if and when they enter the State of Alabama.

[REDACTED] that when the group of Negro ministers, led by Rev. Martin Luther King, Jr., returned to Birmingham, Alabama, to serve their five day jail sentence for marching without a permit, there would undoubtedly be marches, demonstrations, and continuous vigils at the jail. [REDACTED] the Negro

On July 19, 1967 a first confidential source who has furnished reliable information in the past advised he had learned that a conference had taken place that date between Martin Luther King, Jr., President of the Southern Christian Leadership Conference (SCLC), Joan Daves, a literary agent in New York City who is Martin Luther King's publisher's representative and Stanley Levison. 6

The first source advised that during the course of the aforementioned conference King mentioned that he was left \$11,000 by a man from Baltimore, Maryland who had recently died. Levison and Daves both advised King not to put the \$11,000 into the SCLC treasury but to keep the money himself. f

Communist Influence In Racial Matters

The first source continued that King stated he was not concerned about building a big personal bank account but he did worry about his family's well-being. 5

The first source then stated that Levison said that he had heard that Hermine Popper (who has edited books published under King's authorship) has been making statements to the effect that she wrote King's books and has also said publicly "Martin Luther King can't write you know". 5

The first source stated that King, Levison and Daves all agreed about Hermine Popper should no longer be allowed to edit King's books in the future. 5

Levison then indicated that he was concerned about King's failure to make any statements dealing with the racial disturbances in the Newark, New Jersey area. 2

King stated he had been considering the aforementioned and that he believes there will be more situations similar to Newark, New Jersey this summer and maybe they will be even worse in the month of August because it is hotter then. King advised he is very worried about the situation in Chicago, Illinois, and has been considering making a major statement about riots in Chicago and what our country is to do about them. 5

The first source stated that King further advised he cannot make a statement merely condemning riots but must condemn the conditions which lead to riots and the fact that not enough is done to better these conditions. 8

Levison suggests that King advocate a program with dramatic qualities such as suggesting that a program similar to the Works Progress Administration (WPA) of the 1930's be implemented by the Federal Government to employ jobless youths. 8

The first source stated that Levison continued by saying that the WPA program worked in the period when the United States was almost bankrupt and should work even better now when the country is "almost sick with money". 8

Communist Influence In Racial Matters

King stated he believes Levison's idea has merit and that he will call upon the Federal Government to do something about it. The first source stated that then Levison reminded King that President Lyndon B. Johnson is familiar with the activities of the WPA and will be interested in the idea. *S*

King suggests that he will make a public announcement on the foregoing at a press conference. Levison according to the first source suggested to King that King utilize television to make any public announcement concerning his ideas. *S*

The first source continued that Levison and King agreed to discuss in more detail matters concerning racial disturbances in the immediate future. *S*

Re New York airtel, 6/5/67, captioned CIRM, and Atlanta airtel, 6/7/67, captioned as above.

Both of referenced airtels concerned persons whom KING met on a recent trip to Switzerland, who were sympathetic to KING's programs.

Referenced Atlanta airtel referred to one of these persons as LAMB, who was described as the "second richest man" in Ohio. Referenced New York airtel stated that KING met EDWARD LAMB of Ohio while on a recent trip to Switzerland. KING stated LAMB owns radio stations and is reportedly worth 50 million dollars. He was reportedly very sympathetic to KING, and LAMB's name will be added to the potential list of SCLC contributors.

Martin Luther King, Jr.
Security Matter - C

On July 10, 1967, a confidential source, who has furnished reliable information in the past, advised that Stanley Levison, advisor to Martin Luther King, Jr., was in contact with Andrew Young, Executive Director of the Southern Christian Leadership Conference (SCLC) on that date concerning an article which appeared on page 38 of the "New York Times" edition of Sunday, July 9, 1967. This article appeared under the headline "New Left Convention Next Month Will Seek Strategy to Defeat Johnson" and was authored by Donald Janson. The article reads in part as follows:

"CHICAGO, July 8 -- About 200 peace, civil rights and New Left student organizations are being invited to a convention here next month to devise strategy aimed at defeating President Johnson for re-election.

"The convention is being called by the National Conference for New Politics, a liberal antiwar group based in New York City. The five-day meeting will be held at the Palmer House beginning Aug. 31. The keynote speaker at a rally in the Coliseum that night will be the Rev. Dr. Martin Luther King, Jr.

"One question before the convention will be whether to start a third party with Dr. King as its 1968 Presidential candidate. He has said *u* he would not run.

"Invitations to attend the convention were mailed this week to scores of national and local organizations. The call will be announced at a *u* news conference here Monday.

"Advocates of a party headed by Dr. King and Dr. Benjamin Spock, the pediatrician who has been a leader of the peace movement, believe it would attract enough Negro and liberal votes to deny the President *u* the electoral votes of some states in a close election".

Levison advised Young that he had prepared a statement for release by Martin Luther King, Jr. commenting on this article. The text of the release as prepared by Levison is as follows: *S*

"In the Sunday Times of July 9th, a news story under a headline, 'New Left Convention Next Month Will seek Strategy to Defeat Johnson', reports that I am to be the keynote speaker of its rally. The story also declares that one of the questions before the Convention will be whether to start a third party with myself as its Presidential Candidate. The article gives an unmistakable impression of my close association with the Convention and its deliberations. It would be extremely misleading and a distortion of my relationship to fail to correct *S*

~~SECRET~~

these impressions. I am solely related to the convention merely as a guest speaker at its mass rally. My presence there is not an endorsement of any decisions made by the Convention; in none of which shall I be participating. In addition to having no relationship to the general policy or strategy of the organization, I am specifically not involved with any plans to start a third party with myself as a Presidential Candidate. I excluded any such possibility last April and that decision remains unaltered. It would not be possible for the Convention to make plans concerning me since I am in no way subject to its decisions". *S*

Young contended that this statement went too far in that it appears to denounce the Convention. Levison is of the opinion that separation, not denunciation, is the theme and reiterated that a close association of King and this Convention will cause problems for King. Young agreed to furnish this statement to Donald Janson, the author of the original article and requested Janson to have the statement published in the "New York Times". *S*

THE CASE AGAINST MARTIN LUTHER KING, JR.

Few men in our time have commanded so universal a respect, so widespread an influence, so dedicated a following as Dr. Martin Luther King, Jr. Few men today are so honored and admired.

And yet, even today, after so continuous an audience before the American and world press, there is a Martin Luther King whom few people know. This is the Dr. King of whom we write.

It is not our purpose to offer "both sides" of the Reverend Doctor's recent biography. One side you already know: his Presidency of the Southern Christian Leadership Conference and his Nobel Peace Prize. Instead, we shall offer "the other side," the side which has remained undisclosed — for whatever reasons you choose to believe.

Relating this other side poses something of a problem, for its disclosure involves not only Dr. King, but also a number of his closest associates.

REV. FRED SHUTTLESWORTH

Fred Shuttlesworth is the handsome Negro minister of a church in Cincinnati, Ohio. In addition to his ministerial activities, he is actively engaged in the Civil Rights Movement, both as President of the Southern Conference Educational Fund (SCEF) and Vice-President of the Southern Christian Leadership Conference (SCLC). He is founder of the Montgomery Improvement Association, through which Dr. King launched his non-publicized career with the Montgomery Bus Boycott of 1955-56. Also it was with Mr. Shuttlesworth and a Mr. Bayard Rustin that Dr. King founded SCLC in March of 1957.

Certainly there is nothing in these circumstances to hint the character of intentions of Mr. Shuttlesworth. But to know him better is to know the nature of his Southern Conference Educational Fund. Therefore, an examination of SCEF and its leadership is in order.

THE SOUTHERN CONFERENCE EDUCATIONAL FUND (SCEF)

"S.C.E.F. Inc., which the Bradens moved to Louisville, Kentucky had been exposed by three Federal and State hearings and raided by state and city police in New Orleans, Louisiana. S.C.E.F. Inc. was long ago exposed as the first major penetration of the South by the Communist apparatus under its founding name 'Southern Conference for Human Welfare' (From Expose, January, 1967.)

MR. AUBREY WILLIAMS

The late President of SCEF (until his replacement by Mr. Shuttlesworth in 1963) was Aubrey Williams, past Chairman of the United Communist Front calling itself the National Committee to Abolish HUAC. Mr. Williams' membership in the Communist Party has been an officially established fact for more than a decade. As long ago as September of 1947, Mr. Williams delivered a speech in New York advocating "... that we take our stand and defend the right of any Communist to maintain his position as an employee of the Government of the United States..." He admitted to this statement in March of 1954, nine years before he vacated his post as President of SCEF in favor of Mr. Shuttlesworth.

MR. CARL BRADEN

Mr. Braden, of Louisville, Kentucky, is Executive Director of SCEF. In addition to having been officially cited as an active member of the Communist Party, Carl Braden has been convicted of sedition, has served as a national endorser of the Fair Play for Cuba Committee, of Lee Harvey Oswald (fame), and has been featured as a principal speaker at an FPCC dinner held in New York.

MRS. ANNE BRADEN

Mrs. Braden, also identified under oath as a Communist, and who has been indicted for sedition is editor of the *Southern Patriot* (listed by a U.S. Attorney General as a subversive publication) which is published by SCEF.

MESSRS. BENJAMIN E. SMITH AND BRUCE WALTZER

Included in SCEF's general management were these lawyers, both of whom were under indictment for multiple violations of the Louisiana Subversive Activities and Communist Control Act. SCEF is currently represented by Arthur Kinoy and William Kunstler both of whom have been prominently associated with militant left wing causes.

THE REV. DR. JACK R. McMICAL

Dr. McMical is a recently-appointed professor of Religion at Centre College, Danville, Kentucky. McMical has been affiliated with 40 subversive communist fronts listed with the Federal government. According to the Communist *Daily Worker*, McMical openly defended the Communist Party. Yet the President of Centre College recently wrote that McMical's name highly recommended. McMical is a new member of the SCEF's Board of Directors.

THE REV. DR. GEORGE EDWARDS AND DR. HARVEY WEBSTER

In addition to Dr. McMical, the SCEF has two other key persons to represent SCEF in the strategic fields of education and religion. We refer to the Dr. George Edwards of Presbyterian Theological Seminary and Dr. Harvey Webster, Professor of English at the tax-supported University of Louisville. Both are new Board Members of the SCEF. Dr. Edwards was accepted as spokesman for eleven faculty members of Louisville Presbyterian Theological Seminary who issued a statement January 4, 1967 calling for "unconditional cessation of bombing by the United States" in North Vietnam.

DR. JAMES A. DOMBROWSKI

The former Executive Director of SCEF is Dr. Dombrowski, identified as an active member of the Communist Party at the same Hearings before which Aubrey Williams was removed from Dombrowski to Braden reveals that the

Tennessee, as it was here that Andres Bello's activities.

THE HIGHLANDER FOLK SCHOOL

This institution, after being cited as an agitation, had its charter revoked by the State of Tennessee. James Myles Horton, who with James Dombrowski, was convicted by the State of Tennessee, which has been convicted by the hammer and sickle and openly teaching Communist doctrine as a Communist Front by the United States. The Highlander School was Don West, a member of the Communist party of North Carolina.

Evidence of the Highlander School's activities is abundant. Among its alumnae is Mrs. Rosa Parks. Horton initiated the incident which triggered the arrest of Rosa Parks, Myles Horton and photographs of an undercover agent in the end of 1957. Rosa Parks, Myles Horton and the Central Committee of the Communist Party of the United States of America, King for a Civil Rights planning session. Horton for his "noble purposes." One of the noble personalities of our time, King was listed as a sponsor of the Highlander School by Director Myles Horton.

The Highlander School was substantially infiltrated by the Subversive Activities Committee. Horton was indicted for filing a false non-statement of the Highlander School. The union has been provided rent-free to the Rev. Anderson.

Mr. Young's most recent contribution was to publicize Selma March. He presently serves as the Southern Christian Leadership Conference.

MR. HUNTER PITTS O'DELL

Mr. O'Dell, a handsome and meticulous lawyer, was sworn under oath before the Senate Internal Security Committee for the Communist Party in New Orleans. He served the House Committee on Un-American Activities as a member of the National Committee on Un-American Activities. He served the Southern Christian Leadership Conference as Administrator of the New York office and the States.

But enough of O'Dell, Young, Horton, Dombrowski, Smith, Waltzer, Shuttlesworth, and the Bradens of Dr. King represent only a small part of the whole. Let us now turn to the internal workings of the organization where his sentiments lie.

HOLDEN ROBERTO

Mr. Roberto has earned the title "Butcher of the South" for his mass terror campaign of brutal atrocities against the people. The murders, maimings, and burnings of Negroes and white are photographically documented. The same Communist-sadist was royally treated by the auspices of a group calling themselves "The Southern States." Among the names endorsing this committee.

AHMET BEN BELLA

Ben Bella was the well-known champion of Algerian independence. His brutalities catalyzed the communication of the Algerian revolution. He has visited the United States as an honored guest. He has met with him in a Harlem hotel in New York, who met with him in a Harlem hotel in New York, joint statement proclaiming a mutual non-alignment.

ROBERT F. WILLIAMS

Except for Dr. Martin Luther King himself, no man has brought such unjustifiable discredit to the American South as Robert F. Williams. His recent reports, Williams now broadcasts from a hideout in Red China in an attempt to "win over" South Vietnam. Williams is not only a member of the Communist Party of the United States, he was also a fugitive from the F.B.I. who was noted for his publication of a malicious tract against the late W.E.B. DuBois. Williams along with the late W.E.B. DuBois and Martin Luther King's colleague Carl Braden and the Fair Play for Cuba Committee. The latter was a one-time member of the Communist Party of the United States. Williams' *The Crusader* is noted for the following quotation from one issue: "We will continue to use 'Gasoline fire bombs Molotov cocktails' used extensively." In another issue, Williams used extensively: "In another issue, Williams used extensively: 'Uncle Tom pimp-punks and their sides having received lavish tribute from Fidel Castro, Cuba April 23, 1968' Williams began. 'Dear Carl, we hope you will. We were glad to see the review of *The Patriot*.' The 'non-violent' Nobel Peace Prize."

SOUTHERN CONFERENCE EDUCATIONAL FUND, Inc. (SCEF)
SCEF headquarters at 3216 W. Broadway here in Louisville has been called a "House of Communism" by Glasgow attorney Marion Vance. Certainly, from the preponderant amount of overwhelming evidence that is piling up from the investigations of such groups as the Committee of The Judiciary, United States Senate, the House Committee on Un-American Activities, and the Joint Legislative Committee on Un-American Activities of the State of Louisiana, it would appear that Mr. Vance's description is valid. Among those lambasting SCEF is Herbert A. Philbrick, former counterspy for the F.B.I., who charges that SCEF's "Communist Front" operation blankets a "17 state area from Indiana and Ohio to Louisiana and Florida." Also, Ralph de Toledano, in his column in The Indianapolis News June 20, 1966, charges SCEF's headquarters at 3216 W. Broadway with operating "26 subversive fronts." This certainly raises questions.

The question which greatly concerns TACTIK at this point, is whether or not SCEF is, in any way, involved in the so-called open housing controversy in Louisville, and to what degree, if any, that SCEF is connected with Rev. Martin Luther King Jr. and his SOUTHERN CHRISTIAN LEADERSHIP CON- FERENCE and it's so-called non-violent movement. Well, just look at the facts. Now, let us make it emphatically clear that no where in this report do we TACTIK call anybody a Communist, or any group Communist or Communist controlled. We merely assemble and present the facts, and charges of others— (which we did not invent or originate) in one place at the same time for you to consider. This information did not come to you from the local or national news media for what ever reason you choose to believe. TACTIK does, however, think that this information and it's implications should be given a thorough public airing at once.

Furthermore, TACTIK calls for a complete and thorough investigation to be instituted immediately by an appropriate legislative body which will truly rep- resent the interests of the people, to determine what influences are behind un- fair legislation which robs all our citizens, both White and Negro, of their basic American rights and freedoms and hands them over to a government bureaucracy. Such legislation creates anxiety and controversy which often culminates in civil turmoil, property damage, and sometimes even loss of life to innocent people. TACTIK also suggests an ordinance which will limit the size of street demonstrations, and that our city officials allow our local police to put a few "Teeth" into their dealings with imported "Technicians."

THE SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE (SCLC)
One question we have already raised—and hope to answer—is in regard to the influences that are prevalent in SCLC. TACTIK thinks that you are al- ready familiar with the type of people who direct it's activities from informa- tion already presented herein. But we might honestly ask ourselves, is Dr. Martin Luther King Jr. really trying to create what he calls a "Community of Love"? After Montgomery, Philadelphia, Chicago and Watts we wonder, we also wonder about Dr. King's definition of the word "Peace." We cannot answer all the questions that might be asked about Martin Luther King Jr. and SCLC but we do think that what has been presented herein could be consid- ered illuminating to say the least. TACTIK does not object to Love and Peace, Mr. King, but must it be so forcefully demonstrated?

The West End Community Councils Inc., The Louisville and Jefferson County Human Relations Commission and:

"OPEN HOUSING"

Among the many questions we have raised and attempted to answer, let us add this one: What influences have SCEF and SCLC, their members and their colleagues had on such local issues as "Open Housing" and on such local groups as the Human Relations Commission, and the West End Community Council, Inc.?

From information placed into the Congressional Record of Feb. 8, 1967, by Congressman M.G. Gene Snyder, pages A548 and A541 it becomes evident that the West End Community Council Inc. was incorporated on Oct. 4th, 1965, by Mrs. Anne Braden and several other incorporators, some of whose political philosophy is most interesting. . . It is also interesting to note that in Article 7, All of the incorporation papers it is provided that in case of dissolution of the corporation, "All property, after payment of it's just debts shall be assign- ed to the Human Relations Commission. Article 7 (VII) goes on to say "That a full financial report and summary of activities of the corporation for the pre- ceding calendar year be submitted to the Louisville Human Relations Commis- sion by April 25th of each year."

The West End Community Council Inc. has received \$28,000.00 of our tax money already, and Congressman Gene Snyder asks the obvious question: "On the basis of Mrs. Anne Braden's record, including the fact that she has been identified under oath as a member of the Communist Party, is she or her

ing itself the National Committee to Abolish HUAC. Mr. Williams, who has been in the Communist Party has been an officially established fact for more than a decade. As long ago as September of 1947, Mr. Williams delivered a speech in New York advocating "... that we take a stand and defend the right of any Communist to maintain his position as an employee of the Government of the United States..." He admitted to this statement in March of 1954, nine years after he vacated his post as President of SCEF in favor of Mr. Shuttlesworth.

MR. CARL BRADEN

Mr. Braden, of Louisville, Kentucky, is Executive Director of SCEF. In addition to having been officially cited as an active member of the Communist Party, Carl Braden has been convicted of sedition, has served as a national endorser of the Fair Play for Cuba Committee of Lee Harvey Oswald fame, and has been featured as a principal speaker at an FPCC dinner held in New York.

MRS. ANNE BRADEN

Mrs. Braden, also identified under oath as a Communist, and who has been indicted for sedition is editor of the *Southern Patriot*, listed by U.S. Attorneys General as a subversive publication which is published by SCEF.

MESSEURS BENJAMIN E. SMITH AND BRUCE WALTZER

Included in SCEF's general management were these lawyers, both of whom were under indictment for multiple violations of the Louisiana Subversive Activities and Communist Control Act. SCEF is currently represented by Arthur Kinoy and William Kunstler both of whom have been prominently associated with militant left wing causes.

THE REV. DR. JACK R. McMICHAEL

Dr. McMichael is a recently-appointed professor of Religion at Centre College, Danville, Kentucky. McMichael has been affiliated with 49 subversive communist fronts listed with the Federal government. According to the Communist Party *Worker*, McMichael openly defended the Communist Party. Yet the President of Centre College recently wrote that McMichael came highly recommended. "McMichael is a new member of the SCEF's Board of Directors.

THE REV. DR. GEORGE EDWARDS AND DR. HARVEY WEBSTER

In addition to Dr. McMichael, the SCEF has two other key persons to represent SCEF in the strategic fields of education and religion. We refer to the Dr. George Edwards of Presbyterian Theological Seminary and Dr. Harvey Webster, professor of English at the tax-supported University of Louisville. Both are now Board Members of the SCEF. Dr. Edwards was accepted as spokesman for seven faculty members of Louisville Presbyterian Theological Seminary who issued a statement January 4, 1967 calling for "unconditional cessation of bombing by the United States" in North Vietnam.

DR. JAMES A. DOMBROWSKI

The former Executive Director of SCEF is Dr. Dombrowski, identified as an active member of the Communist Party at the same Hearings before which Aubrey Williams was so identified. A letter from Dombrowski to Braden reveals that the Bradens have served SCEF as the drafters of its news releases. Another letter from Dr. King to Dombrowski establishes a personal closeness between the two men. Also extant is a photograph of King, Dombrowski, and the Bradens, which has on the back (in Dombrowski's handwriting): "The 6th Annual Conference of the Southern Christian Leadership Conference, Birmingham, Alabama, September 25 to 28, 1962." Also there exists a check dated March 7, 1963, issued by SCEF and signed by Benjamin E. Smith and James A. Dombrowski, made payable to the order of Dr. Martin Luther King, Jr. in the amount of \$107.74 for "New York expenses". As noted on the check, Dr. King's endorsement is on the back. Of equal interest is the fact that after Dr. King had been confronted with irrefutable proof that Dombrowski was a Communist, he still refused to repudiate an affidavit he filed with the New Orleans Federal Court naming Dombrowski and SCEF as integrationists of good character.

But enough of Mr. Shuttlesworth's associates. Let us now examine another outstanding member of Dr. King's SCLC:

DR. BAYARD RUSTIN

Much has been made of Mr. Rustin's 1953 conviction for sexual perversion. Rather than indict him on this count, we prefer to examine his political conversion. Mr. Rustin's Leftist career began in 1936, when he joined the Young Communist League while a student at the college of the City of New York. His five years in the League were only a prelude to such recent affiliations as the War Resisters League, the World Peace Brigade, the Medical Aid to Cuba Committee, the second General Strike for Peace, the Committee for Non-Violent Action, the Greenwich Village Peace Center, and the American Forum for Socialist Education (which is Communist-dominated, according to the Senate Internal Security Subcommittee).

It is particularly disturbing to learn that just one month prior to his joining Dr. King and Mr. Shuttlesworth in the founding of the Southern Christian Leadership Conference, he was in attendance at the Sixteenth National Convention of the Communist Party. He is best known within the Civil Rights Movement for his leadership of the New York City school boycott and his brilliant engineering of the widely-publicized March on Washington. Mr. Rustin presently serves as secretary and Advisor to Dr. King.

But let us now depart from the co-founders of Dr. King's Southern Christian Leadership Conference, in order to acquaint ourselves with other of his associates.

MR. ANDREW YOUNG

To know Mr. Young is to know the Highlander Folk School of Monteagle.

HOLDEN ROBERTO

Mr. Roberto has earned the title "Butcher of mass terror campaign of bestial atrocities against people. ROBERT F. WILLIAMS

Except for Dr. Martin Luther King himself brought such unjustifiable discredit to his race, recent reports, Williams now broadcasts propaganda for Red China in an attempt to "win over" Negro South Vietnam. Williams is not only a militant also a fugitive from the F.B.I. who was hunted for his publication of a malicious Communist journal along with the late W.E.B. DuBois, and Martin Luther King's colleague Carl Braden, for *Fair Play For Cuba Committee*. The fanatic, U.S. President of the U.S., was a one-time "organizer" of the *Committee, Williams' The Crusader* is not only the following quotation from one issue, Williams' "Gasoline fire bombs (Molotov cocktail) used extensively." In another issue, Williams of his own race who oppose him and want no part of them as "Uncle Tom pimp-punks and concubines" having received lavish tribute from Communist Fidel Castro, also got a favorable review of the *Southern Patriot*, the SCEF publication edited in Havana, Cuba, April 23, 1963 to Carl E. Williams began, "Dear Carl, we hope you and well. We were glad to see the review of *Negro Patriot*." The "non-violent" Nobel Peace Prize Martin Luther King wrote the prologue to *Negro*

And yet none of these facts, or even the Communist of Dr. King, prove him a communist. But what Dr. King has knowingly accepted the advice of known Communists and pro-communists through is substantially reinforced by the affidavit sworn by former undercover man for the FBI. I now quote:

"OPEN HOUSING"
Among the many questions we have raised and attempted to answer, let us
add this one. What influences have SCEF and SCLC, their members and their
colleagues had on such local issues as "Open Housing" and on such local
groups as the Human Relations Commission, and the West End Community
Council, Inc.?

From information placed into the Congressional Record of Feb. 8, 1967, by
Congressman M.G. Gene Snyder, pages A543 and A544, it becomes evident
that the West End Community Council Inc. was incorporated on Oct. 4th, 1963,
by Mrs. Anne Braden and several other incorporators, some of whose political
philosophy is most interesting. It is also interesting to note that in Article
7 (VII) of the incorporation papers it is provided that in case of dissolution of
the corporation, "All property, after payment of it's just debts shall be assign-
ed to the Human Relations Commission. Article 7 (VII) goes on to say, "That
a full financial report and summary of activities of the corporation for the pre-
ceding calendar year be submitted to the Louisville Human Relations Commis-
sion by April 25th of each year."

The West End Community Council Inc. has received \$28,000.00 of our tax
money already, and Congressman Gene Snyder asks the obvious question:
"On the basis of Mrs. Anne Braden's record, including the fact that she has
been identified under oath as a member of the Communist Party, is she or her
organization where you want your tax dollars directed as part of a campaign to
eliminate poverty from this nation?"

In a report which purports to have been requested by Mayor Kenneth Schmied
and Monsignor Alfred Horrigan, Chairman of the Human Relations Commission,
there appears a footnote on the title page (the report is entitled, "The Need
For A Fair Housing Law.") which states that the report was prepared by a
committee appointed by one Rev. Wilfred Myll, who, it appears, is the chair-
man of the Housing Sub-Committee of the Human Relations Commission. The
committee which Rev. Myll, whose political philosophy is extremely interesting,
appointed is composed of Mrs. Dorcas Ruthenburg, Mrs. Rose Tarbis, Jesse
Wardens, and Ray H. Bixler, Chairman. Miss Ruthenburg is also TREASURER
OF SCEF.

Further scrutiny of Miss Ruthenburg reveals that she not only shows an
affinity to the Southern Conference Educational Fund, Inc. but to the Bradens
also. Miss Ruthenburg once signed a petition for executive clemency in the case
of Carl Braden along with Bishop Charles Ewbank Tucker, Rev. Ralph Aber-
nath, Dr. Martin Luther King Jr., Rev. Fred Shuttlesworth, and REV. WYATT
T. WALKER, Walker, a recent aide to Dr. Martin Luther King Jr., was a one-
time editorial advisor to the "Progressive Labor Movement," characterized by
J. Edgar Hoover, F.B.I. Director, as a Marxist-Leninist group following the
more violent Chinese Communist line.

It would seem that what has been presented is certainly sufficient but let
us add just one more interesting sidelight to the character of the above mentioned
organizations and their membership. We give you Modjeska Simkins, former
vice president of SCEF. Mrs. Simkins was a featured speaker at a "Testimon-
ial Dinner" given on April 28, 1966, in New York, in tribute to Herbert
Aptheker the leading theoretician of the Communist Party of the United States.
Mrs. Simkins was billed as a "Civil Rights Worker" on the program. She was
followed on the program by Gus Hall, executive head of the Communist Party,
U.S.A. TACTIK recalls that this same Gus Hall has been widely quoted as
having once expressed the following "peaceful" thought: "I dream of the hour
when the last congressman is strangled to death on the guts of the last
preacher—and since the Christians love to sing about the blood, why not give
them a little of it."

TACTIK wishes to commend our local Negro citizens for their restraint in
the face of growing pressures and the trumpeting of the so-called "civil rights"
champions. We also commend the white people who have been patient with the
increasingly loud demonstrations. Finally, as Alvin D. Smith, Negro editor of
the Butler County American, has so aptly put it, "The first job is to save the
U.S.A. from Communism. All else can be worked out in freedom." TACTIK
salutes him!

On July 11, 1967, a confidential source, who has furnished reliable information in the past, advised that Martin Luther King, Jr. was in conference with Chauncey Eskridge, Chicago attorney and advisor to the Southern Christian Leadership Conference and Stanley Levison, principal advisor to King, on that date concerning matters pertinent to the SCLC.

King asked Levison's advice concerning a proposed boxing match between Cassius Clay (Muhammad Ali), admitted Minister of the Nation of Islam (NOI) and former heavyweight boxing champion, and Jerry Quarry, a heavyweight boxer. This match would be held in California and the proceeds would be donated to the SCLC according to a proposal made by Clay to Eskridge on July 11, 1967.

A characterization of the NOI is attached hereto.

Levison advised King that this would be acceptable to him. He pointed out that Clay is a Negro who is strongly opposed to the war in Vietnam and that in the public mind this would be the basis of their relationship. Levison pointed out that this was much more acceptable than King's decision to address a "New Left" Convention, since King could not be pictured in the press as a Black Muslim but will be pictured as being part of the New Left. King indicated he would accept Clay's offer.

Levison praised a book review of Kings book which appeared in the Washington Post and which impressed him greatly. King was gratified by this and indicated that the same review was in a Detroit newspaper and that he was acquainted with the review. S

The same source advised that Stanley Levison was in conference with Harry Wachtel, New York advisor to King, later the same day concerning King and the SCLC. Wachtel was quite upset about the announcement that King was to be the keynote speaker at the "New Left" Convention in Chicago on August 31, 1967, and asked how this situation arose. Levison felt that the slanting of the release was the work of Donald Janson, "The New York Times" reporter whom Levison characterized as vicious. Levison stated that King was persuaded to speak at the convention by the husband of Ann Farnsworth since Ann Farnsworth has contributed \$100,000.00 to King and King was scheduled to be in Chicago at the time of the convention. Levison feels that King sold himself because of Farnsworth's contributions, but the Andrew Young, Executive Director of the SCLC, was also to blame. S

Wachtel advised that Allen Boretz would be collecting for King this August at Fire Island, Long Island and at Great Neck, Long Island in September. S

NATION OF ISLAM

In January, 1957, a source advised that ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam." u

On April 29, 1966, a second source advised that, ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam." u

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro, that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon." u

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States. u

NATION OF ISLAM (CONT'D)

On May 5, 1958, the first source advised that MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government, however, he did not indicate any fundamental changes in the teachings of his organization. u

On May 2, 1966, a third source advised that MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs. u

COMMUNIST INFILTRATION OF
 SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE

MARTIN LUTHER KING, JR.

The Cleveland Plain Dealer, July 8, 1967, edition, carried an article captioned "Sealtest is First Target of Dr. KING." This article stated that Sealtest Foods will be the first target of Dr. MARTIN LUTHER KING, JR.'s Operation Breadbasket drive in Cleveland for more and better jobs for Negroes. Starting on July 10, 1967, teams from the Rev. KING's Southern Christian Leadership Conference (SCLC) and cooperating churches will visit stores and ask them to remove Sealtest products from their shelves. The main effort will be in the Negro ghettos, but white ministers who have endorsed the project are expected to visit stores in their neighborhoods. Stores which do not cooperate will be picketed, according to KING.

The article went on to say that the SCLC and the United Negro College Association have been conducting a survey of Negro employment in the bread and milk industries in Cleveland and according to KING, Sealtest was the first company which refused to cooperate. He added that "The company proved to be very uncooperative, totally disrespected the ministers and refused to give information. For this reason we felt compelled to start Operation Breadbasket with Sealtest."

Reverend KING stated that the survey showed 5 to 10 per cent employment of Negroes in the bread and dairy industries. According to Reverend KING, information from an unofficial source showed about 24 Negroes out of 350 employees at Sealtest, with most of the Negroes in the lowest paying positions.

Reverend KING also related that the survey of the bread and dairy industries showed more rapid promotion of whites than of Negroes. He said, "Many times Negroes will train new white employees and soon after the white employees assume supervision over them." He added that the milk industry may become the focus

of a national boycott. An SCLC study of 500 major US industries has reportedly shown a great deal of discrimination within milk companies. Which industry to pressure will be decided at a national conference of Operation Breadbasket next week in Chicago.

The same edition of the Cleveland Plain Dealer contained an article captioned "Sealtest Denies Race Barriers in Hiring."

"C. R. TURNEY, personnel director of Sealtest Foods, Cleveland, issued the following statement last night:

"Throughout its long history in serving the people of Cleveland, Sealtest has employed personnel on the basis of ability and performance, without regard to race, religion or color. We intend to continue this practice.

"In our Cleveland operations we have many Negro employes, including those in responsible sales positions. There is no barrier to their progress in Sealtest and as job opportunities develop we welcome all applicants just as we have in the past.

"We have attempted to inform the SCLC of our position in two recent meetings, in Cleveland. At these meetings SCLC representatives demanded highly confidential information about Sealtest operations, including salaries of individual employes. The release of such information would not only constitute an invasion of privacy of Sealtest employes but also jeopardize Sealtest abilities to conduct its affairs in the competitive marketplace. Our refusal to provide such information led to the present impasse.

"Sealtest is an equal opportunity employer and was among the first to join the president's Plan for Progress. We are vigorous in living up to our responsibilities to the community. To achieve these goals we seek the cooperation of all concerned and hope that the

of civil rights organizations were linked with the CP, Wilkinson

Wilkinson's speech was recorded by [REDACTED] and furnished to the Philadelphia Office on 12/13/65. According to Wilkinson, the Unitarians were no longer alone in the campaign to abolish the HUAC, that leadership had been given to the Abolition Movement by Martin Luther King and others in the civil rights movement. b7(D)

Wilkinson continued that power of subpoena given to members of the House of Representatives gave them a field day to attack any idea they didn't like and that the previous week the chairman of the HUAC had stated that Martin Luther King would be among the next targets of the HUAC. According to Wilkinson, King told the press that if the HUAC did investigate the civil rights movement, it would assure the end of that committee before the year was out. Wilkinson also stated that the booklet, "Exposing Martin Luther King" was not subject to the libel laws because it was based on lies told to the HUAC in privileged testimony.

ENCLOSURE

Meeting On U.S. Breadbasket

Action Set

CONFIDENTIAL

Many of the nation's top Negro ministers are slated to attend a meeting set by the Southern Christian Leadership Conference to formulate plans for a nationwide economic development action along the lines of Operation Breadbasket.

The conference will be held July 10 through 12 in the Chicago Theological Seminary, 5757 S. University ave.

According to Dr. Ralph D. Abernathy, SCLC vice president and coordinator of the conference, ministerial delegations from 25 U.S. cities have been invited to come. In addition, individual ministers from smaller cities will also attend.

Dr. Martin Luther King, Jr., SCLC president, said the agenda for the conference will include discussion of a nationwide campaign to push for Negro employment and job promotions.

Like the local Breadbasket effort, the nationwide campaign will be directed toward merchandising firms doing a significant amount of business with Negroes, Dr. King asserted.

The ministers will also confer on civil rights and related issues.

However, the priority item on the agenda will be the Breadbasket program, Dr. King confirmed. He said economic experts will be on hand to guide workshops on organizing for economic development through the program.

"We feel that the new thrust in the civil rights movement is, to a great degree, dependent on what can be done to help the Negro throw off the shackles of economic deprivation," Dr. King said.

He explained that everyone intimately involved in civil rights must concern himself

with programmatic planning which will secure jobs for the jobless of the nation.

"A look at the racial disorder in so many of our major cities at this time makes it clear that a conference of this nature is needed," he said.

Dr. King said the Operation Breadbasket technique of negotiations with local companies, and direct action such as "selective buying" when necessary, may now be applied nationally to a company with heavy sales in the Negro market.

Operation Breadbasket began five years ago in Atlanta and has since spread through the South and to Chicago, obtaining from hundreds of companies thousands of new and better jobs worth millions of dollars to Negro families. In addition, Breadbasket has helped stimulate the growth of Negro-owned businesses and services.

The SCLC program is organized around Negro clergymen who enlist the support of Negro consumers and white persons of good will. They begin with the premise that Negroes need not contribute to the sales and profits of any firm which practices racial discrimination.

The ministers approach such companies and seek out information on the number of white and Negro employees, job descriptions, pay rates, fringe benefits, and training and promotion opportunities. Breadbasket ministers then present specific demands for

the hiring, training and promotion of Negroes.

If the company refuses to negotiate or fails to reach an agreement in bargaining with the ministers, Breadbasket takes the final step of direct action — usually selective buying — against the product involved.

Operation Breadbasket's Southern and Northern directors, Rev. Fred C. Bennette, Jr., and Rev. Jesse Jackson, will tell ministers how to establish the program in their cities.

RACIAL MATTER - ORGANIZATION

Reference is made to Chicago memo dated June 23, 1967,
captioned as above.

On June 23, 1967, [redacted] advised a representative of the Federal Bureau of Investigation that Dr. Martin Luther King, President, Southern Christian Leadership Conference (SCLC), and Al Raby, Convener, Coordinating Council of Community Organizations (CCCO), arrived at approximately 3:30 p.m. on such date at the scene of the civil rights tent-in demonstrations being staged at Warrenville, Illinois. [redacted] recalled that SCLC and CCCO, who together compose the Chicago Freedom Movement, are currently staging the tent-in demonstration at Warrenville, Illinois, in protest of the proposed construction of an atomic accelerator by the Atomic Energy Commission (AEC), at Weston, Illinois, two miles from Warrenville, since the failure of the Illinois State Legislature to pass a state-wide open occupancy law. b7(D)

According to [REDACTED] Dr. King arrived on the scene by helicopter and remained at the tent-in site for approximately 15 to 20 minutes. Dr. King addressed the approximately 30 persons assembled at the tent-in and lent his moral support to the demonstrators. b7(D)

The Chicago Sun Times Four Star Final, June 24, 1967, carried an article on page 46 entitled, "Dr. King Visits Weston Tent-In; Sees Rights Legislation Erosion." The article relates that Dr. King during a visit to the site of the tent-in demonstration at Warrenville, Illinois, on June 23, 1967, declared that the Federal Government is allowing inroads on existing civil rights legislation. He also deplored at such time the failure of the Illinois State Legislature to pass fair housing legislation. He encouraged the demonstrators to continue their protest and said they were protesting "a grave injustice the Federal Government could rectify." If the Federal Government approves the Weston nuclear installation without a Federal - State Housing Bill, "it will further emasculate the 1964 Civil Rights Act. We feel absolutely that Weston should not be chosen for the site because the state has not passed a fair housing bill. We are very disappointed with the callousness of the State Legislature in dealing with the problem of open occupancy."

Following Dr. King's short address, he immediately departed the area and is believed to have returned to Chicago according to [REDACTED]

[REDACTED] advised at such time that the tent-in was continuing on property adjacent to the retreat house of the Sisters of the Cenacle in Warrenville, Illinois. The demonstrators had previously obtained permission from the Sisters to use such adjacent land which is owned by the Sisters of the Cenacle. b7(D)

On June 24, 1967, [REDACTED] advised that no known NSWPP members were observed to be in the area on that date. He further advised that by 2:00 p.m. on June 24, 1967, approximately 175 demonstrators had gathered at the tent-in site preparatory to marching to Weston, Illinois, to protest the lack of open housing legislation in Illinois. Al Raby, Convener, CCCO, Reverend Emery Davis, Evanston, Illinois, and Father William Hogan, Chicago, all known local civil rights advocates, were in attendance. Dr. Martin Luther King, who had visited the site of the tent-in on June 23, 1967, was not present.

The protest march, which had been scheduled, ended at approximately 4:30 p.m., after marching the two miles from the tent-in site in Warrenville, Illinois, to Weston, Illinois.

A brief rally was held at the proposed AEC atomic accelerator site with various civil rights leaders voicing criticisms of Illinois' failure to pass open housing legislation. The marchers then returned to the tent-in area at approximately 6:30 p.m. with the majority disbanding at the site.

[REDACTED] advised on June 24, 1967, that there had been no incidents, arrests, or disturbances connected with the civil rights activities on that date and that the area was calm without any indication of potential violence. [REDACTED] declared, however, that he overheard one of the demonstrators urging news media representatives on the scene to state that in excess of 800 marchers participated in the rally. An unidentified news representative stated he would go no higher than 350.

[REDACTED] further related at such time that following the march and demonstration at Weston, Illinois, by civil rights advocates, Weston Mayor, Arthur Theriault, held a press conference at which time he criticized the demonstration as unnecessary, pointing out Weston has local fair housing ordinances and observing that marching was no way to obtain the desired results.

b7(D)

On June 26, 1967, [REDACTED] advised that the demonstration at Weston, Illinois, was continuing with approximately 12 persons encamped at Warrenville, Illinois, in four tents. The area continues to be quiet and peaceful with no disturbances anticipated by local authorities at the present time.

The Chicago Tribune Three Star Final Edition, June 25, 1967, carried an article on page 10, Section 1, entitled, "Negro Ministers Plan Talks on Job Program. The article related that SCIC had announced on June 24, 1967, that it called a national conference of Negro ministers to meet in Chicago, July 10 through 12 to plan a nation-wide program similar to Operation Bread Basket. Operation Bread Basket, according to this article, is an SCIC program which pressures employers to hire more Negroes.

The "Chicago Sun-Times" June 28, 1967, edition carried an article on page 21 captioned "Capitol Reception Warm, Foes Say." The article related that approximately 20 civil rights advocates had traveled to Washington, D. C. on June 27, 1967, in order to evidence their dissatisfaction with the proposed construction of the AEC accelerator at Weston, Illinois, until Illinois enacts fair housing legislation. Sidney Finley, Regional Director of the National Association for the Advancement of Colored People (NAACP), Chicago, advised that the group had received a warmer reception than expected. The delegation visited 15 representatives, Senator John O. Pastore, Democrat, Rhode Island, Vice-President Hubert H. Humphrey and the AEC. Finley declared upon returning to Chicago on June 27, 1967, that the delegation may return to Washington, D. C. at some future date in order to continue their lobby against approval of funds for planning the atom smasher.

On June 28, 1967, [REDACTED]

[REDACTED] advised he was aware of the continuing Tent-In demonstration in Weston, Illinois, and of the travel to Washington, D. C. by a delegation of Chicago area civil rights advocates to lobby against final approval of Weston, Illinois, as the site of the AEC accelerator. He noted, however, that he knew of no planned disturbances or problems in connection with this continuing protest at the present time. b7(D)

On this same date a confidential source who has furnished reliable information in the past and who is familiar with the activity of various Chicago area civil rights groups, declared he was unaware of any current plans relating to the Tent-In demonstration which would cause any violence or disturbance. He observed that the demonstrators were few in number and felt it was highly unlikely that any disturbances would occur at present.

advised at such time that the area was quiet and that there had been no incidents or arrests relating to the tent-in protest to date.

On June 26, 1967, [REDACTED]

[REDACTED] advised that Albert Raby, Convener, Co-ordinating Council of Community Organizations (CCCO), a co-sponsor along with SCIC of the continuing tent-in demonstration in Warrenville, Illinois, had announced earlier that day that a delegation of civil rights and religious leaders, including himself, plan to fly to Washington D.C. June 27, 1967. Raby declared that such trip would be made in an effort to block approval of Weston as the site of the proposed atomic accelerator. Raby claimed that Title 6 of the Civil Rights Act of 1964, which prohibits discrimination in Government assisted projects, would become meaningless if Congress approved Weston, Illinois, as the site of the proposed accelerator while Illinois still lacks state-wide fair housing legislation. According to [REDACTED] Raby revealed the delegation of undetermined size would spend one day in Washington D.C. and meet with Senator John Pastore, Democrat, Rhode Island, and others who might be persuaded to support in the fight against the Weston site. b7(D)

[REDACTED] declared at such time that no information had been developed by his department indicating that this group would engage in any demonstrations or protest while visiting Washington D.C. on June 27, 1967. b7(D)

This same source stated that the Master of Ceremonies for the affair was Louis Lomax, a controversial TV figure in the Los Angeles area.

This same source also observed Lee with a large sum of money in his hands which was estimated to be about \$1500. There was also a sealed envelope left at the desk at the hotel for King, which envelope bore the return address of Women Strike for Peace.

[REDACTED] b(1)
[REDACTED] that Women Strike for Peace is a peace oriented women's organization which is opposed to the present American foreign policy in Vietnam and the Dominion Republic. In addition to action seeking to cause the removal of all US troops from these two countries, Women Strike for Peace has sought legislation which would bring about the abolition of the House Un-American Activities Committee.

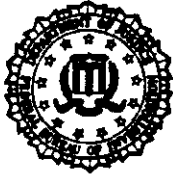

The "Los Angeles Times", a daily newspaper published in Los Angeles, California, in its issue of June 26, 1967 on page I-2 quoted Dr. King as saying that the Los Angeles police were "unnecessarily brutal" to anti-Vietnam war protestors during President Johnson's visit to the Century Plaza Hotel in Los Angeles on June 23, 1967. Although Dr. King said that he did not know enough to "comment intelligently" he added that the police showed a "kind of vindictiveness".

^C
[REDACTED] that King and b(1)
Lee had checked out of the Hyatt House at 1:20 AM this date and had departed for Atlanta, Georgia, aboard Delta Airlines flight #820 at 1:35 AM also on this date.

Reference is made to Chicago memorandum dated
June 29, 1967, captioned as above.

On June 30, 1967, [REDACTED]

[REDACTED] advised that the tent-in
demonstration, which was being conducted by the CFM at Warrenville,
Illinois, terminated on June 29, 1967, when the approximately
12 demonstrators removed their four tents. [REDACTED] recalled
that the demonstration was staged in order to express the
dissatisfaction by various Chicago area civil rights groups
with the selection of Weston, Illinois, two miles distant
from Warrenville, as the site of the proposed AEC atomic
accelerator despite the failure of the Illinois States Legis-
lature to enact open housing legislation. [REDACTED] further recalled
that the demonstration commenced on June 22, 1967, on land
adjacent to the Sisters of the Cenacle retreat house, Warrenville,
Illinois, and had been peaceful without any arrests or incidents
regarding the demonstrators. b7(D)

[REDACTED] stated that the area continued to be quiet following the removal of the tents and that no disturbances or problems were anticipated [REDACTED] b7(D)

The Chicago Tribune, Friday, June 30, 1967, edition, carried an article on page 16, section 3, column 3, entitled, "Open Housing Tent-In Ends Near Atom Site." The article related that members of Dr. Martin Luther King's Chicago Freedom Movement terminated their week-long tent-in at Warrenville, Illinois, protesting the selection of Weston, Illinois, as the site of the proposed AEC atomic accelerator.

According to this article the demonstration was an effort to block congressional approval of the site for a giant accelerator unless the State Legislature passed an open housing law. The article observed that no law was passed by the State Legislature, but Congress, nevertheless, was expected to approve funds for the site during the coming week.

On June 30, 1967, the above information was furnished to the following individuals:

property adjacent to their retreat house at Warrenville, Illinois, to stage a proposed tent-in demonstration. [REDACTED] recalled that the Chicago Freedom Movement (CFM), which consists of the Southern Christian Leadership Conference (SCLC) and the CCCO, had previously announced plans to stage a tent-in in the Weston, Illinois, area to protest the selection of such site by the Atomic Energy Commission (AEC) as the location for the AEC's new atomic accelerator. Albert Raby, Convenor of CCCO, acted as spokesman for the CFM in announcing such tent-in protesting the failure of the Illinois State Legislature to pass a state-wide open housing law which would insure equal housing opportunities for Negroes who might be employed at the new AEC site. b7(D)

The CCCO is an amalgamation of approximately 30 Chicago area civil rights organizations and has been active in staging civil rights demonstrations in the past in the Chicago area.

SCLC, which together with CCCO comprises the CFM, is the Atlanta based civil rights organization headed by Dr. Martin Luther King, the well-known civil rights advocate and Negro leader.

[REDACTED] declared that, according to information available to him, Al Raby indicated he would attempt to obtain a new site for the proposed tent-in in view of the decision by the Sisters of Cenacle to rescind their previously given permission. b7(D)

On June 22, 1967, [REDACTED]

[REDACTED] advised that the Sisters of Cenacle had reconsidered their decision withdrawing approval of the use of land adjacent to their retreat house in Warrenville, Illinois, for use by the CFM in its proposed tent-in and had now given final permission for the utilization of their land for the tent-in demonstration. [REDACTED] declared that the decision to permit the CFM to use the land owned by the Sisters of Cenacle was reached after a meeting between Albert Raby and Monsignor F. R. Stenger, a dean of the Joliet diocese, in the offices of the Catholic Interracial Council, 21 West Superior, Chicago, Illinois. b7(D)

[REDACTED] declared that approximately 10 to 15 persons, both Negro and white, were expected to participate in the tent-in and were scheduled to arrive in Warrenville, Illinois, at 3:00 p.m. on June 22, 1967, and erect four tents which they would utilize during the course of the demonstration. The protest is scheduled to continue until termination of the Illinois General Assembly on June 29, 1967, or until such assembly meets demands for an open occupancy law.

[REDACTED] further related that a delegation of Chicago area civil rights representatives were scheduled to travel to Washington, D. C., during the week of June 26 - 31, 1967. This delegation, whose exact size and date of departure were unknown to [REDACTED], would attempt to dissuade members of Congress from supporting the selection of Weston, Illinois, as the site of the AEC atomic accelerator in view of the Illinois Legislature's failure to pass a state wide open occupancy law.

b7(D)

On June 22, 1967, [REDACTED] advised that on June 21, 1967, Judge Walter Butler, Cook County Circuit Court, conducted hearings requesting an injunction against SCLC's "Operation Breadbasket", which has been engaged in picketing of High-Low Food Stores in the Chicago area. The hearings were continued until June 26, 1967, with Judge Butler ordering during the interim a cessation of picketing by SCLC but permitting them to distribute leaflets supporting their cause. Al Raby, who has been active in such picketing, agreed to comply with the ruling until consulting with Dr. Martin Luther King, President, SCLC, on June 26, 1967, relative to this matter. SCLC's "Operation Breadbasket" had staged the picketing of the High-Low Food Stores in order to protest the alleged failure of the food store chain to hire a representative number of Negro employees.

On June 22, 1967, [REDACTED] advised that an integrated group of approximately 10 to 15 persons had arrived at the proposed tent-in location in Warrenville, Illinois, at

dated June 5, 1967.

On June 20, 1967, [REDACTED]

[REDACTED] advised that Albert Raby, b7(D)
Convener, Coordinating Council of Community Organizations (CCCO),
a Chicago civil rights organization which is an amalgamation
of approximately 30 Chicago area civil rights organizations,
held a press conference on June 20, 1967, at the headquarters
of the Catholic Interracial Council (CIC), Chicago, Illinois.
The CIC is a civil rights group composed of Catholic laymen
from the Chicago area, which seeks to assist the Negro in his
struggle for equal rights.

During the press conference at the CIC headquarters,
Raby criticized the failure of the Illinois State Legislature
in not having passed a state-wide open occupancy law. He
declared, "We stand firmly opposed to the Weston plan or a
similar development in this State. To demonstrate our position
we will undertake a new plan of direct action aimed at stopping

approval of the site." Raby then announced that on Thursday, June 22, 1967, a small group of Negroes and whites will travel to the Weston area and conduct a "tent-in" to dramatize the failure of the legislature to pass a law guaranteeing open housing opportunities for everyone.

Raby revealed that the tent-in will be held on land owned by the Sisters of the Cenacle Convent in Warrenville, Illinois, with the approval of the convent. On June 24, 1967, at 2:30 p.m. the CCCO will hold a rally at the designated plant site, which rally according to Raby will be addressed by Reverend Martin Luther King, President, SCLC. Dr. King is scheduled to join the demonstration after the tent-in begins on June 22, 1967.

Additionally, Raby declared the CCCO intends to send a large delegation of civil rights workers and religious and civic leaders to Washington, D. C., in order to encourage Senator John O. Pastore, Democrat, Rhode Island, a self-acknowledged opponent of the Weston site, in his fight against final approval of such location.

On June 21, 1967, [REDACTED]

He declared that very little organizational effort had been conducted by Raby in order to secure mass participation in the demonstration; and [REDACTED] estimated that probably less than 25 individuals, both Negro and white, would participate in the demonstration.

[REDACTED] further stated that he knew no information indicating that there would be any violence connected with such demonstration.

Additionally, at the press conference on June 20, 1967, Al Raby stated he had been in touch at 3:00 a.m. on such morning with Dr. Martin Luther King, President of SCLC, by telephone and intended to recontact him later in the day. The Two Star edition of the "Chicago Tribune" published Wednesday, June 21, 1967, at Chicago, Illinois, Section 2, Page 11, contains a news article captioned "Critic Of King Joins Unit To Prevent Riots."

Article indicated Reverend Henry Mitchell, President of the NSUMWA, which he said represents more than 60 Negro churches and 50,000 persons throughout the State, advised that he has joined forces with OC, a white organization, in an effort to prevent racial violence.

News article indicated the "Hot Line" was described by Sutton, President of OC, as a means of allowing white and Negro leaders to inform each other when tensions form and demonstrations and riots are a possibility.

According to news article Sutton stated that upon receiving such information an emergency meeting will be called of specific leaders of the area concerned to take steps at once to forestall or limit the trouble by joint action.

News article indicated that Reverend Mitchell stated that last year "we lost much more than we gained from demonstrations, rioting, vandalism, looting and arson."

[redacted] continued, saying that if he were not interested in doing the job himself, he was supposed to "take KING's place," (location not specified) in Atlanta, and check the layout. [redacted] pointed out he could do this rather easily, as before serving time, he worked for [redacted]. After getting the layout [redacted] was to tell [redacted] the set-up so that when [redacted] was released from the penitentiary he could handle it himself. Communist Influence in Racial Matters

On June 22, 1967, a confidential source, who has furnished reliable information in the past, advised that Stanley Levison, advisor to Martin Luther King, Jr., was in contact on that date with Mike Miller of the Ford Foundation concerning civil rights matters. **S**

Miller noted that he was optimistic concerning the Ford Foundation grant to the Congress of Racial Equality (CORE) to sponsor the operations of CORE in Cleveland, Ohio. This grant will amount to \$300,000.00 spread out over two years. Miller was happy over the recent civil rights summit meeting and mentioned that Whitney Young, Executive Director of the Urban League, had warned King and Floyd McKissick, Director of CORE, not to make any anti-Johnson Administration speeches while in Cleveland, Ohio, noting that Young was very close to the Johnson Administration. **S**

Levison assured Miller that there would be no friction between the Cleveland ministers who have been working with King and the people from CORE in Cleveland. Levison was also of the opinion that the reports of a plot to assassinate Whitney Young and Roy Wilkins, Executive Secretary of the National Association for the Advancement of Colored People (NAACP), by Negro extremists would not increase the white back-lash since the actions of that group was beyond the understanding of rational people. **S**

Martin Luther King, Jr.
Security Matter - C

N.Y.
A confidential source, who has furnished reliable information in the past, advised on June 19, 1967, that Joan Daves, publisher's representative for Martin Luther King's latest book, "Where Do We Go From Here?", and Stanley Levison, King's principal advisor, were in contact on that date concerning the book. Daves wanted to apprise Levison of a reception planned for that afternoon at 5:45 p.m. at the New York Hilton Hotel, New York, New York, the purpose being to afford King an opportunity to meet representatives of Harper Publishers, the publishers of his book. Although only eight people were to attend, Daves invited Levison to the reception. She said Harry Belafonte would also be there.

According to Daves, following the reception, King and Belafonte were scheduled to appear on the Merv Griffin television show, a Metromedia production on Channel 5 in New York.

"The New York Times", Tuesday, June 20, 1967, on page 25, an article captioned "Dr. King Deplores 'Long Cold Winter' On the Rights Front" appeared. He is reported to have made the statement that "Everyone is worrying about the long hot summer with its threats of riots." He said, however, that "We had a long cold winter when little was done about the conditions that create riots."
